

## PROFILE

Passionate frontend developer with 6 Month of experience, specializing in crafting visually stunning and responsive user interfaces. Proficient in HTML, CSS, and JavaScript, I bring a keen eye for design and a commitment to creating seamless user experiences. Adept at collaborating with cross-functional teams, including designers and backend developers, to bring concepts to life. I stay ahead of emerging trends and technologies in the dynamic world of web development. My proven track record includes delivering high-quality projects on time, consistently exceeding client expectations. Eager to contribute technical skills and creativity to a challenging and innovative environment within a dynamic team.
